## Contest Rules

The rules for IRTS contests have been updated. The General Contest Rules have been extended in order to provide greater consistency in the requirements for all contests and reduce repetition in the rules. This has allowed us to shorten the rules of the individual contests, which now focus on the unique provisions of the respective contests.

The society runs five Counties Contests and three Field Day contests every year. The next Counties Contest is the 40 metres Counties Contest, which takes place on Sunday 17th May, from 12:00 to 15:00 UTC. In the light of the recent updates to the contest rules, it is worth mentioning that the former rule for HF Counties Contests - requiring QSOs with the same station on different modes to be separated by at least three other QSOs - has been dropped.

The short counties contests continue to be very popular among experienced contestants and not-so-experienced contestants. See [www.irts.ie/contests](http://www.irts.ie/contests) for the full contest

calendar and links to the contest rules.

### **DX News**

Peter DL2RPS will be QRV as S79RPS from Praslin Island in the Seychelles until 7th May. He will be on 80 – 10m SSB and CW. This operation will count as AF-024 for the IOTA programme and as S7FF-04 for the Flora and Fauna Award. QSL to his home call.

Three Japanese operators will be operating from the Ogasawara Islands as JD1YBT until 10th May. They will be on all bands 160 – 6m. QSLs go via JP1IOF.

Nobuaki JA0JHQ will be active as JA0JHQ/VK9X from Christmas Island from 7th to 10th May. He hopes to be on 40 – 6m CW and SSB. QSL to his home call.

Three members of the Scottish based DX-Interceptors Amateur Radio Club MS0IXD will travel to the Isle of Man from 8 – 11 May. While there they will use the callsign MT0IXD which should ensure steady pile-ups as the prefix MT0 is quite rare. They will operate from Scarlett Point on all bands 10 – 80m using SSB, CW and RTTY. QSL manager is M0OXO and logs will also be uploaded to Logbook of The World.
